

# MONTARA WATER AND SANITARY DISTRICT AGENDA

For Meeting Of: May 7, 2026

TO: BOARD OF DIRECTORS

FROM: Clemens Heldmaier, General Manager 

## **SUBJECT: Review of Current Investment Portfolio**

---

The District's Investment Policy and Guidelines requires that the Board review the status of the current investment portfolio. The following summarizes the status of these accounts:

- The District has some of its idle sewer funds deposited in the State of California's Local Agency Investment Fund (LAIF). The Monthly Average interest rate for March 2026 was 3.826%. The majority of the District's idle sewer funds are in the sewer account with the California Asset Management Program (CAMP) to take advantage of the higher interest returns. The current 7 day yield for 5/01/26 was 3.79%.
  
- The District has most of its idle water funds deposited in the California Asset Management Program (CAMP). The current 7 day yield for 2/26/26 was 3.79%.
  
- The District has one checking account with Wells Fargo Bank for Water and Sewer Funds that is largely backed by Federal securities. Staff plans transitioning in the coming months to a different operating checking account with Tri-County Bank.

### RECOMMENDATION:

District staff attempts to cash manage idle funds in CAMP as long as possible before transferring to the Wells Fargo checking accounts for disbursements.
