Public Comment

In accordance with the Government Code, members of the public may address the Board on specific agenda items when the matter is announced by the Board President. Any other item of interest that is within the subject matter jurisdiction of the District may be addressed during the Oral Comments portion of the meeting. For participants attending the meeting virtually, a "raise hand" button is available for every Zoom user wishing to speak and should be used to alert the President of the intent to comment. Members of the public attending remotely may be required to enter a display name for administrative and meeting management purposes. The District will not require disclosure of a person's legal name or other identifying information as a condition of attending or commenting at a public meeting.

Upon request, this Agenda and written agenda materials will be made available in appropriate alternative formats to persons with a disability. Request for a disability-related modification or accommodation in order to participate in the public meeting should be emailed to info@mwsd.net or submitted by phone at 650-728-3545 at least two days before the meeting. Requests will be granted whenever possible and resolved in favor of accessibility. Materials related to an item on this Agenda submitted to the Board after distribution of the Agenda Packet are available in the District Clerk's office during normal business hours. Such documents may also be available on the District's web site (www.mwsd.net) subject to staff's ability to post the documents before the meeting.

Due to construction of the District's permanent Boardroom facilities, this meeting is being held at a designated existing location with limited seating capacity and physical access to the Board's meeting room is limited. Thus, members of the public may observe a live stream video and sound broadcast of the meeting in the hallway directly adjacent to the entrance of the meeting room and will have the same opportunity to observe the proceedings and address the Board as those seated in the meeting room. District staff will facilitate public comment from both the meeting room and overflow area to ensure equal access. Speaker cards are available, and public comment is allowed one person at a time, as called into the meeting by the Board President. This above protocol is designed to accommodate all members of the public, to ensure transparency and to preserve the public's right of access and meaningful participation in Board decision-making under the Brown Act.
