MONTARA WATER AND SANITARY DISTRICT AGENDA

For Meeting Of: November 19th, 2026

TO: BOARD OF DIRECTORS

FROM: Clemens Heldmaier, General Manager

SUBJECT: Monthly Solar Energy Report

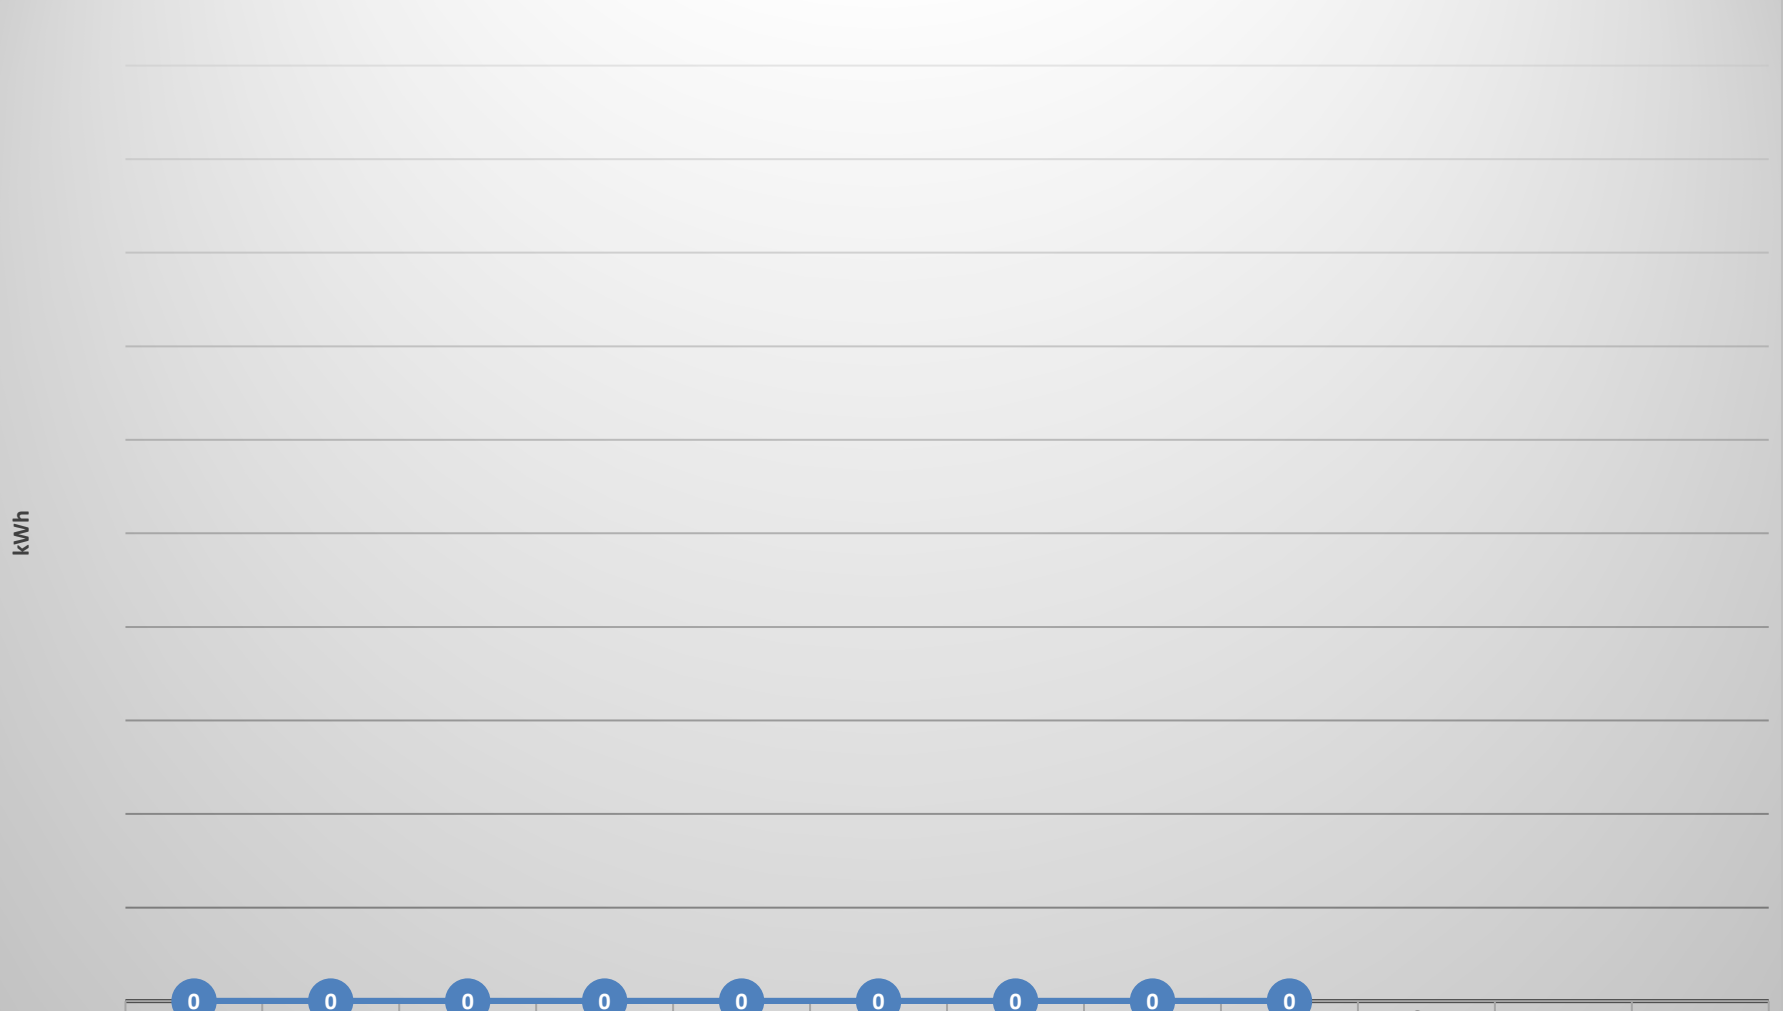

The attached chart summarizes the monthly solar production at the Alta Vista Array. Since the installation of the solar panels the District produced 52,958kWh and saved 90,028lbs of CO_2.
- please note - in Mid December the inverter failed. The panels being from 2006 should be replaced as they are well beyond their life span to produce. Then a new inverter sized appropriately for the new array can be purchased & installed.

RECOMMENDATION:

No action is required. This information is provided for the Board's information only.
