

MONTARA WATER AND SANITARY DISTRICT AGENDA

For Meeting Of: **June 4, 2026**

TO: BOARD OF DIRECTORS

FROM: Clemens Heldmaier, General Manager 

SUBJECT: Review and Action Concerning Receipt of Funding for FEMA-Declared Disasters on Behalf of Sewer Authority Mid-Coastside

The District has received additional funding from FEMA and CalOES in the amount of \$14,886.36. The staff report below (in italics) was initially prepared and submitted for the December 7, 2023, regular meeting.

The two checks represent repayment from CalOES for their share of cost portion related to the Hazard Mitigation Grant Program (HMGP) for the specific project referred to as the SAM WWTP Electrical System Relocation Project, Phase 1. Additional payments are still in the process of being reviewed and authorized by FEMA & CalOES. Including the attached remittances, to date, MWSD has collected and remitted to SAM \$1,734,498.68 related to the Local Hazard Mitigation Plan (LHMP).

As with prior receipts, MWSD intends to bring all further receipts to the attention of the Board as a matter of public record notification of both receipt as well as the full and complete disbursement of funds to SAM.

Federally declared disasters have become a more frequent occurrence in the State of California and across the nation. The Federal Emergency Management Agency (FEMA) and California Office of Emergency Services (Cal OES) provide funding for eligible emergency costs for entities that apply and are approved through their Public Assistance (PA) programs.

The Sewer Authority Mid-Coastside (SAM) participates in the San Mateo County Local Hazard Mitigation Plan (LHMP) through the Montara Water and Sanitary District's (MWSD or District) LHMP Annex, and, therefore, any Request for Public Assistance (RPA) applications for SAM require the District's Board of Directors action in the form of a Resolution. The District's Board approved a Universal Resolution in support of SAM on August 17, 2023.

Universal Resolution Details:

A Universal Resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

The SAM application for disaster relief funds has been approved by Cal EOS and FEMA, and the funds have now been dispersed by FEMA and received by MWSD. Copies of the checks are attached and the sum of the funds received is \$14,886.36. These funds will be transferred to SAM by MWSD. MWSD's Board support of SAM made these FEMA reimbursements possible.
